

Supports the mobility needs of Toyota owners and/or family members with physical disabilities.

PROGRAM ELEMENTS INCLUDE:

Toyota Mobility Assistance

Provides retail buyers/lessees¹ of new Toyota vehicles or wheelchair-accessible converted Toyota Siennas a cash reimbursement of up to \$1,000 (paid directly to the retail buyer) to help offset expenses incurred for the following:

- Purchase and/or installation of qualifying adaptive mobility equipment
- The conversion of a new Sienna for wheelchair accessibility with less than 799 miles

Refer to the attached guidelines and reimbursement application form for detailed requirements; maximum \$1,000 per vehicle ID number (VIN).

Comprehensive Mobility Resource Information

Available at www.ToyotaMobility.com. Includes lists of mobility equipment dealers and installers, by state.

Toyota Financial Services² Mobility Financing

Available upon credit approval, through Toyota Financial Services and participating Toyota dealers. Provides flexible, extended-term financing for persons with physical disabilities or their families, for purchasing a new Toyota vehicle with the installed adaptive equipment (including installation costs). Please contact your local participating Toyota dealer for details.

A PROVEN PROCESS FOR GAINING FREEDOM ON THE ROAD

Toyota supports the U.S. Department of Transportation's recommended process, which is detailed in the brochure "Adapting Motor Vehicles for People with Disabilities:" Copies are available by calling (888) 327-4236 or at www.NHTSA.gov. The process includes these steps:

1. Determine your state's driver's license requirements

2. Evaluate your needs

Contact a mobility equipment dealer in your area to identify the adaptive equipment most suited to your needs.

3. Select the right vehicle

Consult with your evaluator, an adaptive equipment installer and your local Toyota dealer to determine the best Toyota model to meet your needs.

4. Choose a qualified mobility equipment installer

Shop around and ask about qualifications, capabilities, experience, warranty coverage and service. Confirm they are members of the National Mobility Equipment Dealers Association (NMEDA) or another organization that has established vehicle conversion standards.

5. Obtain training on the use of the new equipment

When this process is complete, follow the guidelines and complete and submit the attached application for assistance to recover up to \$1,000 of the cost of your adaptive equipment and/or conversion.

1. Subject to written lessor approval. Note: Not all leasing companies will approve the installation of adaptive equipment, so be sure to check and obtain written approval first. 2. Toyota Financial Services is a service mark used by Toyota Motor Credit Corporation.

GUIDELINES

Toyota Motor North America, Inc. will provide a cash reimbursement of up to \$1,000 to each eligible, original retail customer, for the exact cost they paid to purchase and/or install qualifying adaptive driving or passenger equipment for transporting persons with physical disabilities. Leased vehicles require written lessor approval of adaptive equipment installations³.

- Only new vehicles sold or leased and delivered to a retail customer by an authorized Toyota Motor North America, Inc. dealer are eligible for reimbursement. New Toyota Siennas converted for wheelchair access with less than 799 miles qualify for reimbursement. Fleet incentive recipients and Commercial entities (including nonprofit organizations and trusts) are not eligible for Mobility Assistance.
- Reimbursement not to exceed \$1,000 per qualifying Vehicle Identification Number (VIN).
- The adaptive equipment must be purchased and installed within 12 months of vehicle purchase or lease. A Reimbursement Application Form must be submitted to the Toyota Brand Engagement Center within 90 days of complete installation of adaptive equipment.

Note: Toyota will reimburse the labor cost and required materials for transferring existing equipment from a used vehicle to a new Toyota. Toyota recommends the transfer be performed by an NMEDA Dealer with Quality Assurance Program (QAP) certification. Refer to www.NMEDA.org for information on QAP certified dealers.

- Qualifying adaptive equipment or conversion is defined as any aftermarket alteration or equipment installation on an eligible Toyota vehicle that provides the disabled user convenient access and/or the ability to drive the vehicle. Equipment installed must be within vehicle weight limits and any hitch-mounted device must be within hitch load and tongue weight limits as detailed in the vehicle's Owner's Manual and on www.ToyotaMobility.com.
- A prescription or note from a licensed medical doctor on physician's letterhead is required for reimbursement, except as noted on page 3. For some adaptations, such as hand controls, no medical note or prescription is required. Modifications not listed on this application but represent obvious mobility adaptations must have written documentation from a licensed medical doctor describing the customer's disability/limitation. Toyota dealer-installed accessories are not reimbursable under the Toyota Mobility Assistance Program. For pedal extender reimbursement, the customer must be medically diagnosed with a physical condition. Questions about other adaptations should be directed to the Toyota Brand Engagement Center at (800) 331-4331.
- To obtain reimbursement, the Reimbursement Application Form must be completed in its entirety then signed by the customer and by a representative at the selling dealership. It should be mailed along with a copy of the vehicle sales or lease agreement, the adaptive equipment company's paid invoice showing payment by the vehicle owner⁴, a Lessor Letter of Authorization (for leased vehicles³) and a prescription or note from a licensed medical doctor on physician's letterhead (when required) to the following address:

**Toyota Brand Engagement Center
c/o Toyota Motor North America, Inc.
P O Box 259001 - Mobility
Plano, Texas 75025-9001**

Payment to the individual Mobility Assistance Program customer will be mailed within 6-8 weeks after receipt of an approved claim form and all required documentation. Please call the Toyota Brand Engagement Center with any questions: **(800) 331-4331** or **(800) 443-4999-TTY**

³.Reimbursement will not be made in cases where the equipment and/or installation is being paid for or reimbursed by another source.

⁴.Note: If leasing through Toyota Financial Services, TFS will provide only an authorization letter for the following types of adaptive equipment: Hand Controls, Left Foot Accelerator, Wheelchair/Scooter Lift and Turning Automotive Seating. Call the TFS Lessor Loyalty team at (800) 286-0652 and ask for form OMS 6622.

ELIGIBLE MOBILITY ADAPTATIONS FOR DRIVERS/PASSENGERS

Toyota dealer-installed accessories are not reimbursable under the Toyota Mobility Assistance Program.

The following adaptations would be considered obvious mobility adaptations and, as such, do not require a doctor's note, or completion of the LICENSED MEDICAL DOCTOR VALIDATION section of the Reimbursement Application Form or other documentation, to qualify for reimbursement.
